LINK TO LOGIN

The view of the first page of the application to register for the respective roles with appropriate credentials.

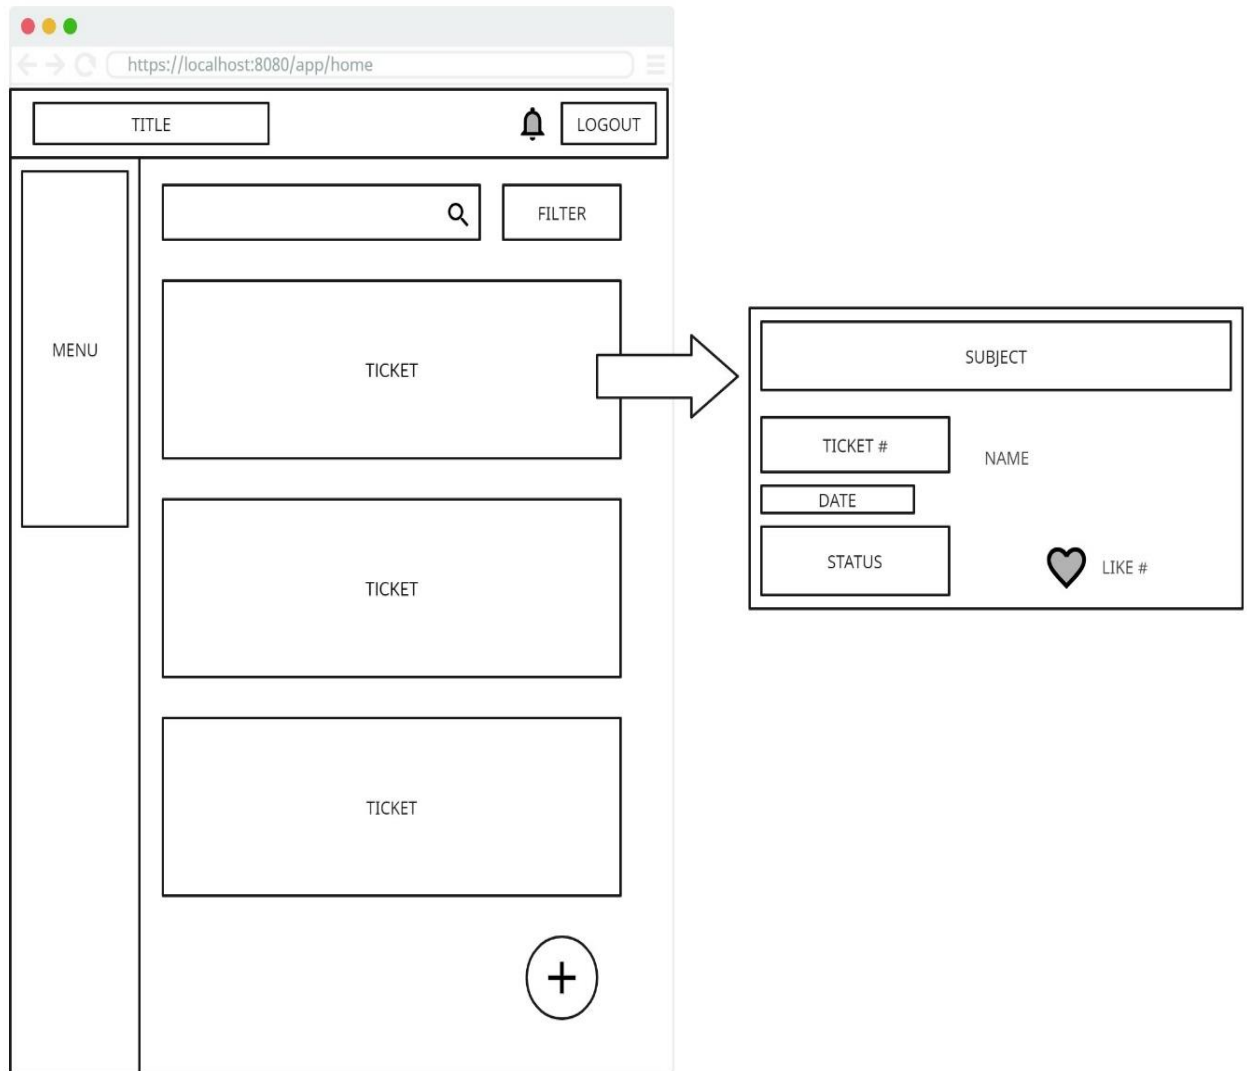

The wireframe depicts a web browser window with the address bar showing `https://localhost:8080/app/login/student`. The page layout includes a 'LOGIN HERE' button at the top. Below it is a large container box. Inside this box, there is a row of three buttons: 'STUDENT', 'SUPPORT STAFF', and 'SUPPORT ADMIN'. Underneath these buttons is a large rectangular area labeled 'LOGIN FORM'. To the right of the 'LOGIN FORM' is a 'LOGIN' button. At the bottom of the container box is a 'LINK TO REGISTER' button.

Once Registration is complete,
the user logs in with their
respective credentials.

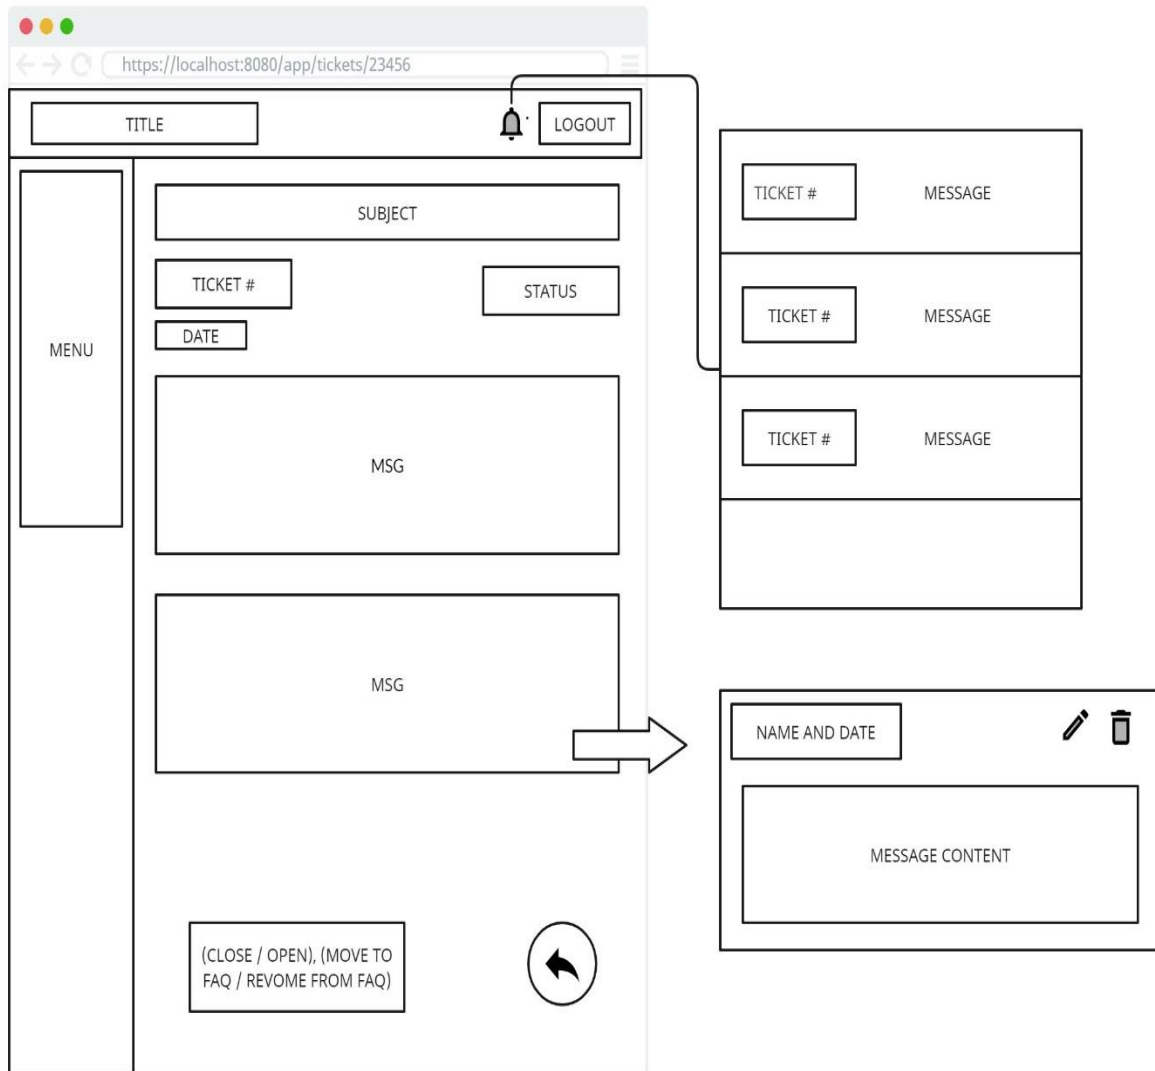

The student view consists of filter to search queries and pending tickets on their topic.

Team Wings of Freedom
Wireframe Document – Group 8 (21F1000194, 21F1004566)

The students can create and edit their own queries and get their tickets or view and upvote other's tickets.
